

The following rules apply to your homework:

- Problems should be written out in consecutive order. They need to be easy to locate.
- **Space your work out so it is easy to read.**
- **Either one or two columns per page, clearly delimited.**
- Proofs must be rigorous and clearly written in appropriate mathematical format. No proof, no credit given.
- **All drawings must be done in pencil.** Whenever necessary, you must copy or make any appropriate drawing.
- Multiple pages must be stapled and tatty edges need to be trimmed.
- Homework that is illegible or sloppy will not be graded.
- Proofs must be rigorous and clearly written in appropriate mathematical format. No proof, no credit given.
- All drawings must be done in pencil.
- Late homework will not be accepted for any reason .
- You are encouraged to discuss assignments with your classmates; however, you are required to write up your work independently. Copied homework will not be tolerated and identical, or nearly identical, assignments will *share* a single homework score.
